WHO WE ARE AND WHAT WE DO
MISSION STATEMENT

The mission of the Hartbauer/McBride Memorial Foundation (HMMF), Inc. as a 501(c)(3) not-for-profit, private corporation is to provide financial assistance to bikers in need. Our definition of a "Biker" is a licensed owner of a "street legal motorcycle." To receive assistance, the applicant's financial situation must be a "true hardship" arising from any type of emergency, be it accident, illness or catastrophic loss such as flood or fire. Every case is carefully evaluated to determine if it meets the Foundation's guidelines to receive assistance. In some cases, family members of the qualifying biker may be included.

The Foundation is not an insurance company, does not pay death benefit or supplement unemployment. The Hartbauer/McBride Memorial Foundation, Inc. provides limited assistance on a case-by-case basis and is not an alternative for taking personal responsibility for your own actions or paying your own bills when you can. The Hartbauer/McBride Memorial Foundation, Inc. is simply "a helping hand in a time of need." When every little bit helps!

The Foundation, made up of a Chairman, Officers, Liaisons and Representatives are all unpaid volunteers who perform their duties out of their love of motorcycles, those who ride, and the lifestyle of the "Biker"; hence the name: "Bikers Helping Bikers."

The goal is to be the first assistance a Biker In Need receives.

THANKS TO ALL WHO ATTEND OUR EVENTS AND DONATE, SO THAT WE CAN HELP OTHER BIKERS!

“The Biker Fund” ...

is still dedicated to the belief and practice of
“Bikers Helping Bikers” in a time of need.
Organized before his death in 1987, Tom
Hartbauer had the idea of providing a helping
hand to our brothers and sisters in a time of
need.

In 1997, the Biker Fund was incorporated in
Missouri under the name Hartbauer/ McBride
Memorial Foundation, Inc. as a private
foundation with the sole purpose of providing
assistance for all road-riding motorcyclists in a
time of true need and hardship.

The Foundation is controlled by a Board of
Directors. When an assistance request is
received, the Chairman reviews the info provided
under the guidelines of the form. The Chairman
may need more details to determine true
hardship and of what degree (State law as a not-
for-profit requires this of us). The Board then
votes to grant the request or not, and if so, states
the dollar amount they feel is appropriate. If the
request is granted, a check is cut in the amount
agreed upon.

To qualify for assistance, you must be a biker or,
in some cases, an immediate family member.
The situation must qualify as a true and honest
hardship. The requester must live within 100
miles of the St. Louis Arch. Our guidelines are
this: the Foundation is not a charity or insurance
company or a hand out; the Foundation cannot
eliminate all suffering, and it is not an alternative
to taking responsibility for your own actions or
paying your own bills when you can.

APPLYING FOR ASSISTANCE

To obtain a request form, contact the Chairman
or any Board Member on this form or fill out your
info on the reverse form and get it to us and a
form will be sent to you. You can also find our
form on our website.
